

# OPTIMAL RECRUITMENT'S

## Executive Search and Recruitment

**Q. If business is looking to headhunt some of the best calibre talent, how can Optimal Recruitment help?**

**O**ur Optimal Executive Search and Recruitment service offers you a professional, integrated process, utilising extensive research-based methodologies and the best recruitment and selection techniques to source and secure high-quality candidates for your organisation.

The team takes the time to understand your business requirements, culture and stage of development. Our experienced consultants, led by Genevieve Riviere, work in partnership with you to ensure they get it right every time. Optimal

Recruitment provides advice and guidance on recruitment and selection methods, with an emphasis on adding value at every point of the cycle.

We have a strong track record in the following sectors: Mining and Resources, Construction, Engineering, FMCG, Medical, Pharmaceutical, Legal, Government, Finance, Retail and Hospitality.

The business has just won the 2018 Northern Beaches Business Awards category of Outstanding Professional Services, and the team believes that much of our success can be put down to the team's care factor. Our consultants want to make a difference to people's lives. They are committed

Julie Lawther - Managing Director Optimal Recruitment. Winner 2018 Northern Beaches Business Awards category of Outstanding Professional Services

to delivering a personalised service within the clients' budget. They offer the same quality service - whether you are recruiting a CEO or CFO - temporary staff to fill a holiday break, or permanent staff.
