

Holiday Staffing Issues - Need Help?

Q. Christmas and the New Year is often a difficult time for business owners. Many critical employees are on extended holidays, resulting in staff being stretched and stressed. How can Optimal Recruitment help?

Optimal Recruitment provides a range of services that will help you over this busy time.

Our dedicated temporary placement team specialises in filling staff positions with skilled, flexible candidates. Optimal Recruitment's temps are available to cover work overloads of any duration, whether it be maternity leave, annual vacation, employee sickness or any other circumstance. With an extensive database of available local casuals we can often fill a position with two hours' notice. We offer competitive weekly rates or specially negotiated daily rates and our temp-to-perm employment is very fair.

The team at Optimal Recruitment know that every business is different so we tailor our services to meet your requirements and budget, providing us with a significant edge over our competitors.

Optimal Recruitment also offers part time business consultancy. For a few hours per week you can engage a

Optimal Recruitment. Winner 2018 Northern Beaches Business Awards category of Outstanding Professional Services

business or finance expert. They will undertake a thorough assessment and analysis of your business, your objectives and strategies. An action plan and implementation strategy will be developed. Our experts help you achieve your business goals and financial targets. All the benefits of financial in-house management at a fraction of the cost.
